Research Topic - Brainstorming

Topics of Interest:
1. ______________________________________
2. ______________________________________
3. ______________________________________
4. ______________________________________
5. ______________________________________

Select 3 topics and list 5 questions you would like to know about each.

Topic: ______________________________________
Questions:
1. ______________________________________
2. ______________________________________
3. ______________________________________
4. ______________________________________
5. ______________________________________

Topic: ______________________________________
Questions:
1. ______________________________________
2. ______________________________________
3. ______________________________________
Topic: ________________________________

Questions:
1.
2.
3.
4.
5.

Circle your favorite topic.
Keeping your questions in mind as you begin your research, look through various resources to determine if there is enough information to support your topic.

- Remember to take notes by recording key words or phrases.
- Cite text, resources and authors to credit your findings.
- Use reading and writing strategies to assist you in your writing.
- If there is not enough information on your topic you must switch.
