

## Learning Commons Statistics | 2011-2012

Prepared and Submitted by Lori Barile, Learning Commons Librarian

### E-Classroom 106 Usage

Electronic Classroom 106 has been used 225 total times in Fall 2011 and Spring 2012. Staff (mostly library staff, but some campus staff as well) has used the room the most, followed by faculty. The classroom was opened to student use in the Fall of 2010 and it seems to be gaining popularity as a group study space for finals, particularly in the Spring semesters.

	Fall 2010	Spring 2011	Fall 2011	Spring 2012
Staff	48	76	72	72
Faculty	57	55	24	32
Students	4	24	9	16
	<b>109</b>	<b>155</b>	<b>105</b>	<b>120</b>

As a whole, 106 usage seems to increase in the Spring semesters compared to the Fall semesters. Compared to Spring 2011, the usage of 106 has decreased in the Spring of 2012.
